(Date)

TO: Acting Personnel Director

BUILDING Curie Hall

ROOM NO. 29-223

REMARKS:

Appreciate your point of view as expressed in the attached. However, I believe it necessary to remind the employees and supervisors of their respective responsibilities. Subsequent to that there would be no repeated Agency Notices but there would be follow-up action through command channels. Therefore, will you prepare a proposed Notice on this subject for my consideration.

TRANSMITTAL SLIP

(Date)

TO: Colonel White

BUILDING

ROOM NO.

REMARKS:

I do not agree completely with Charlie's point in his memo. I think it first necessary to bring to the attention of supervisory personnel their responsibility to monitor and discipline employees under their supervision. Therefore, it would seem that a Notice to this effect is appropriate and the proposed Transmittal Slip for your signature requests Personnel to prepare one.
